

Hello, Everyone,

Please join us for the first of three sessions of the New DR Orientation, the DR 101, as discussed at the Fall Assembly this past weekend.

The session is open for new, incoming, and not so new DRs. Any District member is welcome. Any interested Al-Anon member is welcome. Bring your District officers or anyone who may be considering service as a DR in the future.

At this first session we will discuss DR duties and responsibilities at the District and at the Area levels. The VA Area Group Records Coordinator will explain how to handle group records changes and updates. We will have a panel of past DRs for a Question and Answer session as well.

The session will be recorded (audio only) for those unable to join in real time. A list of documents for this first session is being posted on the VA Area website, [www.vaalanon.org](http://www.vaalanon.org), under Resources. Watch the Area website for the posting. The WebEx link will be posted there as well.

Bring your Service Manual, hard copy or virtual copy!

Please share this email with anyone I may have missed. All are welcome!

See you there!
