## Updates since last meeting:

- Events or projects the District has completed since last meeting – The District held an in-person workshop on September 24, 2022 on Mission Possible: Hope, Help, Humility, Honesty with approximately 30 people attending.
- Events or projects the District is planning – No specific events are planned at the moment, but planning for a spring 2023 workshop will begin by the end of the year.
- Successes – The district organized and convened an in-person workshop; while attendance was about half what we had hoped for (based on pre-pandemic numbers), we're pleased that 30 people were willing to come out on a beautiful fall day.
- Challenges – (1) Re-establishing a district outreach committee; (2) Getting GRs to attend the district meeting and respond to requests for information from the DR.
- Goals – (1) Re-establish an outreach committee in the district; (2) Improve the involvement of GRs in the work of the district.
- Things that are working well – Those GRs who are involved are very helpful and supportive.
- Things that need attention – Clarifying which groups are active and which are inactive, which are hybrid and which are virtual, etc.
