Updates since last meeting

1 We have had our fall workshop sept 21 /2024 it was hybrid and we had some amazing speakers , it was recorded as well

2. we have 1 meeting that became inactive

3. We have help Alateen with love scholarships this last conference they had

4. We have active Amias in our District helping the meetings in reston and leesburg for alateen

- Events or projects the District is planning

We hope to be more active with other districts to make the workshops bigger

- Successes – we have contacted our local libraries to make sure they had some alanon books online and yes they do !

We have been encouraging our Gr's to talk about Alateen meetings in their meeting maybe mention it in the announcement part so people know and are more aware of whats alateen and where they are and what they do

- Challenges

We have a meeting that doesn't have a GR and another one that that the GR is not very active in District meetings

- Goals

To be able to fill all our Gr positions by talking and encouraging people to talk about service in their meetings and also at the District level

- Things that are working well our District meetings are well attended and is a pleasure to work together

- Things that need attention encourage service
