Introductions

Opening

Welcome - Panel 62

Warm up - CAL Quotes – Pick your favorite quote from Conference Approved Literature to share how that can be related to service. We will have an opportunity to share them in small groups.

Service Attraction (Tell what you did) rather than Promotion (tell someone what they should do) Share something from your service journey with others.

Service Responsibilities - Healthy Boundaries – are not telling someone what they can or cannot do instead telling someone what I will and will not do.

What can I do to get the most out of Assembly/Service? Brainstorm
