### **Informational Items:**

- Meetings held – We hold monthly Officer Meetings on the 2<sup>nd</sup> Thursday evening of the month via Zoom. We had a Steering Committee Meeting (DRs) in September and a General Services Committee Meeting (GRs) in October. There were no nominations during the Steering Committee, and no one accepted Officer positions during the General Services meeting, so the group decided to reconvene in November with hopefully more participation and more enthusiasm to step into service. Therefore, new officers have not been elected.
- Successes:
  - We have a cohesive and enthusiastic group of officers
  - The districts have worked with each other to plan workshops and fellowship opportunities
  - Each District donated to the Center this year
  - All Districts are involved in some way with planning the Gratitude Lunch (Nov. 2)
- Challenges:
  - New officers not elected
  - No solutions for NVSC's future but lots of ideas for the new panel
  - We had to decrease our hours the last few months because of illness/surgeries/recoveries
