Updates since last meeting

I am continuing to send out my monthly e-mail containing the documents WSO creates for public outreach/distribution to all the DR's and several other people who requested to be added to the list.

WSO contacted me concerning an opportunity for outreach called Mobilize Recovery. The date for this event is October 8, 2024. I was able to reach out to the DRs and was able to provide Heather at WSO with 3 names of people who would be willing to help man the table at the event. Heather will be there with another former WSO employee. They will be providing the literature. I was happy that we were able to provide some help for this event!
