## Updates since last meeting:

- Monthly district meetings on Webex. Met in person in June. Good attendance. Several GRs reported that attendance at their groups was growing. Discussed rotation of service and district service positions that are available. We have 2 new GRs..

-Some individuals at some meetings have been changing the words of the steps and traditions. At our June district meeting we all read the pages from the service manual that addresses this and I shared info from the letter that Sue P from the WSO sent DRs. We then discussed how to share this information with your group and some possible solutions.

-Pot luck picnic social at a county park on June 15. About 40 in attendance. Tickets were sold and the district provided water and fried chicken.

-Tuesday July 30 a group is going to host a 1 hour workshop on sponsorship during their meeting time. There will be 3 speakers.

-Continuing challenges- not all groups have a GR/a few GRs never attend (or send a rep to attend)the district meetings/ folks stepping up for service.
