Meetings in District: 6

Face to face: 1

Hybrid: 2

Online only: 3

Upcoming events:

First business with new panel is Saturday February 8th. New budget will be discussed.

Successes:

All meetings have GR, except 1. This meeting has a CMA.

2 meetings have an AGR

Challenges:

The one in-person meeting in my district had conflict due to discussion of religion. The group is having a group conscience to discuss changing their opening to stress no discussion of politics or religion.

A second meeting had conflict due to discussion of politics. There were no "experienced" Alanon members at this meeting and no one in attendance knew how to stop the conversation. People left the meeting. Thankfully, there were no newcomers at this meeting and everyone who left, returned the following Sunday. The group will hold a group conscience to discuss changing the opening.
