- Events or projects the District has completed since last meeting

We have had our first district meeting of 2025 in January. We planned for upcoming district meetings, brainstormed ideas for goals for the upcoming year. Major Positions are filled (could use alternate positions) and we have a new Public Outreach person!

- Events or projects the District is planning—planning a workshop on participation is the key to harmony (If I remember correctly)

- Successes – none too small or too large to share!
- Challenges—none so far
- Goals—planning a workshop, DR will be visiting the meetings in the district, next meeting in March 2025

VAWSC/Assembly Report

- Things that are working well—our public outreach model is working well
- Things that need attention—I want to get more comfortable in my new roll as DR so I plan to watch a previously recorded DR 101 workshop in the near future
